Mop Bucket & Strainer 15L – Green Cleaning Bucket with Cone Wringer | Made in UK

The **15L Mop Bucket & Strainer – Green** is a practical, high-quality cleaning essential designed for ease of use and hygiene control in professional environments. Featuring a detachable large cone wringer, ergonomic hand grip, and a pouring spout, this mop bucket is built to simplify daily cleaning tasks while helping prevent cross-contamination.

Ideal for use with socket mops, RHP, Optima 200–300g, and all white mops, this UK-manufactured bucket is compatible with various mop types. The durable construction and colour-coded design make it perfect for maintaining high hygiene standards in commercial kitchens, healthcare facilities, schools, and other environments where cleanliness is critical.
