

Invacare Amputee Sling Polyester Large

110808

UOM: EACH

● Available to Order

The full range of Invacare Amputee Slings have been uniquely designed to provide and exceptionally safe and comfortable transfer for both single and double amputees. Highly versatile this sling is suitable for use on most hoists that use a conventional hook and loop spreader bar system. To ensure maximum levels of comfort and support are reached the sling keeps the user in a slightly reclined position.
