#### Introduction to Business Solutions

At Diversey Care we aim to understand your business and know that it's got to be first time right. This is why we have introduced a new product range, called 'Business Solutions'. The range consists of products which targets the truly professional business needs coupled with well known and trusted brands. By giving you excellent cleaning results, you can focus on your core business such as serving your guests or caring for your patients.

#### Kitchen cleaning solved

Diversey Care's complete range of Cif and Domestos cleaning products allows you to clean every area of the kitchen and the restaurant ranging from chopping boards and ovens to greasy floors and sticky tables. Whatever the need, Cif and Domestos has the solution. Now also with fragrance free products specifically developed for food preparation areas, as well as powerful disinfectants for a safe and hygienic kitchen environment.

#### Key properties

A powerful cleaner which removes stubborn grease and carbon deposits from ovens and grills. For use on ovens, grills, and other surfaces for tough grease and carbon deposits. Not for use on aluminium, non-alkali resistant surfaces or self clean panels.

## BUSINESS SOLUTIONS

Professional Cleaning with Trusted Brands

# Cif Professional Oven & Grill Cleaner

## Directions for use

Preheat the surfaces to be cleaned between 50°C and 70°C. Switch off the equipment before applying. Spray Cif Professional Oven and Grill Cleaner onto surface. Leave for 20-30 minutes.

Rinse thoroughly with clean water. If the oven has not been cleaned regularly, several applications maybe necessary to remove the toughest carbon deposits.

**Do not** use on aluminium or non alkali resistant metals or painted surfaces. Do not use on self clean panels.
