

# UltraSpeed Mop Pads

The complete solution

## Fill your bucket with energy

The microfibre UltraSpeed System sets new standards in usability, versatility, efficiency and ergonomics. The benefits can be summarised in a single sentence: Performance made easy.

## Ultraspeed is the answer!

UltraSpeed is based around an innovative wringer that simplifies the wringing of flat mops and is available in choice of systems from a 15ltr kit for small areas through to the Origo trolley system for large premises.

## Microlite Mop Pad

General purpose 100% microfibre mop for deep down cleaning of all floorings.

- High cleaning performance without aggressive chemicals
- Power zones for stubborn dirt
- Very good chemical and temperature resistance
- Suitable for damp and wet floor cleaning

## Safe Mop Pad

Specially designed to give superior scrubbing effect and durability on all safety and rough floors.

- Extra hard cut pile brush fibres for loosening stubborn dirt
- Suitable for wet scrubbing
