

# UltraSpeed Mini

Small in size. Big on performance.

# Small in size Big on performance

UltraSpeed Mini is the latest addition to the hugely successful UltraSpeed family. Created specifically to fulfil the requirements of all small area cleaning (10-30m<sup>2</sup>), UltraSpeed Mini combines the ergonomic, performance and hygiene benefits of the existing UltraSpeed range into a small, compact system.

## Do you want more from your cleaning system?

Traditional small area cleaning systems such as socket mops and floor cloths are limited in their usage areas. UltraSpeed Mini's 34cm flat mop frame allows you to perform many more cleaning tasks including:

- Walls
- Tiling in kitchens and toilet areas
- Skirting
- Staircases
- Safety floors (with SafeMop pad)
- Behind pipes and toilets

## Do you want to clean twice as fast?

The combination of an innovative wringer, mop frame and pads result in UltraSpeed Mini being twice as fast at:

- Cleaning small areas (20m<sup>2</sup>)
- Removing stubborn dirt
- Drying floors

## Do you want to clean in more areas?

UltraSpeed Mini is the first to combine a compact 10 litre bucket with a flat mop system making it ideal for small area cleaning in numerous sites including:

- Offices
- Cafes/coffee shops
- Small shops
- Restaurants
- Reception areas
- Hotel bedrooms/bathrooms
- Canteens
- Kitchens
- Toilet areas

### Starter Kit

- Contains one bucket and bionic press wringer, one mop frame, one micro mop pad
- Available in blue, red, green and yellow

### MicroMop

- 90% PES microfibre for outstanding cleaning performance
- 10% PA fibre (grey) for stubborn dirt removal
- Cut off RBGY colour coded tags

### SafeMop

- Specially developed for use on rough and safety flooring
- Extra hard cut pile brush fibres
- Cut off RBGY colour coded tags

### Mop Frame

- Light, durable 34cm break frame
- PowerZones underneath for increased performance
- Swivel joint for easy cleaning of vertical surfaces

### Bucket and Bionic Wringer

- 10L bucket (5L fill capacity with wringer)
- Guiding elements for easy mop insertion
- Available with blue, red, green and yellow funnels

### Telescopic Handle

- Textured finish gives improved 'soft grip'
- Extends from 80cm-140cm
- Hook attachment for easy storage
