★★★★★ Satisfy your guests

Cleanliness is proved to have a direct impact on ratings & reviews and help you generate incremental business.

Minimize your total operating cost

The Disinfecting All Purpose Cleaner can be used across many different surfaces. This can help you to save time, as you can use the same solution across your washable hard surfaces and on top it cleans and disinfects at the same time.

Care for your staff

The Disinfecting All Purpose Cleaner helps to save time to your staff as they can use the same solution across your washable surfaces to disinfect and clean. This prevents the need to carry several products.

*Enveloped viruses according to EN14476, bacteria according to EN1276 and EN13697.

Technical information

Research & Development Corner

Flash Professional contains innovative technology to deliver effective grease removal from your surfaces and kill germs.

The multi-surfactant technology penetrates greasy soils, lifting them up and away from the surface, delivering excellent cleaning.

The addition of Quat delivers effective disinfection on your surfaces.
