

Complete Washroom Cleaner

An enzyme and microbial biotech product designed to tackle all washroom areas offering superior cleaning and odour control using renewable and sustainable ingredients.

Cleaner

- Most effective washroom cleaner on the market
- Immediate body fat, scale and other washroom specific contaminants removal
- Makes floors less slippery and hazardous
- Bacteria and enzymes remove odours at source
- Leaves surfaces streak free
- Neutral pH

Leaner

- Super concentrate 1:50
- Reduces transport and storage needs
- Low cost in use
- Biofilms offer residual protection
- Available in Pouch and 5L
- Replaces multiple products to rationalise ranges
- Safe on all surfaces

Greener

- Reduced carbon footprint
- Naturally derived ingredients
- Not tested on animals
- 100% PCR – no single use plastic
- 100% Biodegradable
- VOC free

FORESTS FOR ALL FOREVER

CO₂e Assessed

Complete Washroom Cleaner
