

Kitchen Sanitiser

A naturally derived, Quat, Chlorine and Aldehyde free surface sanitiser approved to EN14476, EN1276, EN13697, EN1650 and EN13623 that reduces CO2e, aquatic and human toxicity.

Cleaner

- Virucidal, Bactericidal, Yeasticidal and Fungicidal cleaner disinfectant
- High effective kill to EN14476, EN13697, EN1276, EN13623, EN1650
- Fragranced option – general use
- Unfragranced option – food safe and non tainting
- Actives supported under EU Biocides Regulation (528/2012)
- Residual action reduces risk between cleans
- Effective through fogging machines

Leaner

- Up to 15 second kill time
- Quad action allows product rationalisation
- Does not need to be wiped away
- Effective in all water conditions
- Disinfects at up to 1:100 or available as a RTU
- Cuts through grease and dried-on food soiling
- HALAL approved with Halal Monitoring Committee
- UK Manufacture and supply chain

Greener

- Carbon neutral
- 100% PCR – no single use plastic
- No Quats, Chlorine or Aldehydes
- 100% Biodegradable
- Renewable and sustainable technology
- Safer for the user than traditional disinfectants

CO₂e Assessed

Kitchen Sanitiser

Use Instructions

Dilute as per requirement.

Spray, leave for required contact time (15 seconds for enveloped viruses, 30 seconds for bacteria) and wipe.

Ensure surfaces are clean prior to sanitising.

Note: Food surfaces should be wiped after spraying.

Product Compatibility

Under recommended conditions of use, Kitchen Sanitiser is suitable for use on most materials commonly encountered.

Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Product is non-flammable so no requirement for secure, ventilated storage. Store at room temperature.

Available Pack Sizes

5L	1L	750ml	Screen Printed Bottle	1.5L Pouch
				
BH238 (2 x 5L)	BH235 (6 x 1L)	BH239 (6 x 750ml)	BH240 (Case of 6)	BH265 (2 x 1.5L)

The UK's leading manufacturer of Biotech cleaning products

- The UK's leading manufacturer of Biotech cleaning products
- Technologies are renewable and sustainable, sourced from plant extracts, fermentation and manufacturing by-products reducing CO2e and environmental toxicity
- 100% UK Manufacture and supply chain
- Post Consumer Recycled bottles provide a circular life cycle reducing CO2e and removing physical plastic pollution
- Our cardboard is made from 100% recycled material, is fully recycled and FSC certified (Forests for All Forever)
- ISO 9001:2015 & ISO14001:2015
- Zero waste to landfill
- Accredited to Carbon PAS2060, we offset our carbon with UK tree planting and VCS projects within the Amazon
- 100% Readily Biodegradable
- All manufacturing wastewater is treated
- Our technology has minimal aquatic toxicity
- Never tested on Animals
