

## Eco Laundry Destainer

**Environmentally friendly, water-based destainer offering superior bleaching and deodorising performance along with anti-microbial activity against a wide spectrum of bacteria and fungi.**

### Cleaner

- Excellent destainer for most types of fabric including coloureds
- Works synergistically with BioHygiene Eco Laundry Detergent (Bio) to produce excellent results on both coloured and on white fabrics
- Exceptional whiteness achieved on white linen, kitchenware and white towels

### Leaner

- Efficiency at lower wash temperatures provides significant energy and cost savings
- Exceptional cleaning under mild, low temperature conditions reduces the need to rewash
- Extends the life of fabrics due to gentle nature of the product and wash conditions

### Greener

- Reduced carbon footprint
- Not tested on animals
- 100% PCR – no single use plastic
- 100% Biodegradable

## Eco Laundry Destainer

### User Instructions

Laundry Destainer is applied using BioHygiene auto-dose equipment. Recommended dose levels are from 4-6 grams per kilogram of dry wash load. For heavy soiling, dose at 6-8 grams per kilogram of dry wash load. For low temperature, cost effective washing, use at 40°C. Laundry Destainer may be used at higher temperatures (60-75°C) on white cotton and polycotton fabrics.

### Product Compatibility

Laundry Destainer is used in conjunction with BioHygiene Eco Laundry Detergent (Bio) in the main wash.

### Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Product is non-flammable so no requirement for secure, ventilated storage. Store at room temperature.

### Available Pack Sizes

(1 x 10L)

The UK's leading manufacturer of Biotech cleaning products

- The UK's leading manufacturer of Biotech cleaning products
- Technologies are renewable and sustainable, sourced from plant extracts, fermentation and manufacturing by-products reducing CO2e and environmental toxicity
- 100% UK Manufacture and supply chain
- Post Consumer Recycled bottles provide a circular life cycle reducing CO2e and removing physical plastic pollution
- Our cardboard is made from 100% recycled material, is fully recycled and FSC certified (Forests for All Forever)
- ISO 9001:2015 & ISO14001:2015
- Zero waste to landfill
- Accredited to Carbon PAS2060, we offset our carbon with UK tree planting and VCS projects within the Amazon
- 100% Readily Biodegradable
- All manufacturing wastewater is treated
- Our technology has minimal aquatic toxicity
- Never tested on Animals
