**Product use Information**

- Single use product.
- Do not flush down the toilet.
- Non maceratable.

**Quality Control**

- We ensure consistent product quality through rigorous DUPRO (During Production), FRI (Final Random Inspection), Load Inspection and regular product testing. Some of this is done by our local staff. When the goods are delivered to our warehouse, they are checked in accordance to our ISO standards and stored in a clean and safe environment.

**Tolerance**

- Our wipes have a count and weight tolerance of +/- 2%.
