## Persil Professional Bio Active Clean Liquid

Cleans tough stains, even in quick wash

### Description

Persil Pro Formula bio liquid detergent tackles tough stains already at low temperature thanks to the enzymes present in the formula and makes fabrics cleaner and brighter thanks to the action of the optical brighteners. It is ideal to remove enzymatic and particulate stains.

### Benefits

- Removes tough stains already at low temperature and even in quick wash
- Biological action: contains enzymes that are highly efficient stains removal ingredients

### Pro Formula

YOUR GUIDE TO POWERFUL CLEANING

Unilever and Diversey come together to give you Pro Formula, a complete range of ready to use professional cleaning products, paired with trusted Unilever brands. The range is specifically developed for your professional cleaning needs, and comes with free online cleaning & HACCP guides, helping you meet hygiene standards.

# Persil Professional Bio Active Clean Liquid

## Use instructions

- Do not overload your washing machine.
- Always check the article's care label and follow washing instructions.
- Do not wash flame resistant fabrics in hot water, i.e. above 50 °C.
- Pre-sort your washing into whites, lights and colours.
- For machine washable wools and silks, we recommend to use a specific product.
- Always check for colour-fastness before pre-treating stains with neat liquid.
- Don't soak non-colourfast, flame resistant fabrics, leather or garments with metal fasteners. Do not use on silk and wool.
- Follow the dosage recommendations present on pack
